## 2010

# SUMMER CAMP

## Directed by Coach Ryan Meier

### For Players Entering Grades 1 thru 9 For Fall 2010

#### A note from Coach Ryan Meier

*"As a former player and now as a coach, I have always believed the game of basketball is one of life's best ways of developing friendships and self-confidence. I've learned a lot from the game, and I have tried daily to translate those lessons of both life and basketball to those I coach. I believe this is my responsibility as a teacher and a coach.*

*The 2010 Torrey Basketball Camp Staff will combine both coaching and teaching to make the week a valuable experience for all of the campers. In addition to the development of their basketball skills and athletic ability, all campers will be given the opportunity to build upon their own personal attitudes toward the game, and life. They will learn about roles and responsibilities within the context of being a 'TEAM'. They will share in success that comes from hard work, discipline, loyalty and a determined heart. Each day they will learn how to be a "gracious winner"... how to take losing... and most importantly... **the camper's will have FUN!!**"*
